

Endless Blue

A class above the rest

A culinary sailing voyage through the Greek Islands

You will enjoy a voyage that will take you through the sites, smells and tastes of the most famous Greek Islands; Santorini, Mykonos, Paros, Naxos, and Syros, while also experiencing some of the off-the-beaten track smaller islands known as the "Little Cyclades".

On your journey you will learn to prepare original Greek food from your on board Chef daily. You will discover the wines of Greece with your on-board wine tasting and winery tour of Paros & Santorini. And for our non "foodies" you can experience sailing and learn to sail with your Captain.

Rate ranges from \$14,800-\$19,155

- A lifestyle like no other

What we love about this program

This program has something in it for everyone. With a wide range of activities, you will be sure to please everyone on board. Traveling through the Greek Islands on a private yacht is a unique experience on its own, couple that with cooking lessons, sailing lessons and wine tours and you have a unique experience multiplied. Add a pre and post land stay on either end and you have created the perfect 10 or 14 day Greek Island experience.

The Itinerary

The program choices are **embarkation Mykonos** - disembarkation Santorini or **embarkation Santorini** - disembarkation Mykonos. You and your guests will travel through the islands of Delos, Paros, Naxos, Syros, as well as, the off the beaten track islands of Folegandros, Koufonisia, Hraklia just to name a few. The itinerary is filled with variety from sandy beaches to stunning

cliff beaches and from white hilltop villages to quaint fishing villages. Of course all itineraries are subject to weather conditions and port authorities and your Captain may change the itinerary for your safety and comfort.

About the Sailing Classes

The captain is a certified sail instructor and will be guiding you through a series of courses to get you ready for sea. In the process, you and your guests will get a great work-out from hoisting the sails! Everyone participating will learn about navigating by the stars, understanding navigational charts, learn to make a Captain's knot and much more. In addition, you will learn how to work in teams and have fun discovering all the little coves and bays of the Greek Islands.

About the Cooking classes

The Chef will share all the secrets of preparing the Mediterranean meal right on board the yacht's kitchen. Participants

will have the opportunity to learn also how to cook in small spaces, how to create amazing meals with minimal ingredients and best of all they will take home with them real Greek grandma's authentic recipes.

The yacht

The yacht is a 56ft sailing yacht that has all the comforts of home. There are 4 double cabins complete with en-suite bathroom and shower. A main sail and a genoa sail to leverage all the wind. This yacht is comfort combined with Green travel. Don't worry about your carbon footprint on this yacht!

Amenities

- TV in saloon
- Wi-Fi
- Complete kitchen
- CD/DVD player
- snorkeling gear

YOUR PERSONAL YACHT CHARTER SPECIALIST Your personal yacht specialist works with you every step of the way. He or she will ensure a smooth transition between your land stay and your yacht charter. Included in the program is a consultation for your trip , as well as, back-up email support and on the ground in-destination support throughout your trip. The yacht charter specialist is your go to person while in Greece to ensure your experience surpasses everyones expectations.

Accommodations

The accommodations are 4 double cabins with en-suite bathroom and shower. The bathroom is a combined shower/bathroom which means that there is no separate shower its an all-in-one.

The cabins are comfortable and spacious for a yacht of this size. The beds are matrimonial beds double. Two of the cabins are slightly larger than the other two cabins but all have identical amenities. Two of the cabins also have a lower bulk head (head room) over the bed as all sailing yachts.

Additional Amenities

- Generator (for constant power)
- Air Conditioning
- Water-maker
- Full bed and bath linens
- Daily cabin cleaning

In an effort to protect the environment and conserve water, clients will be asked if they require a towel or sheet change.

Crew

The crew of two consisting of Captain and Chef will attend to your needs and show you true greece. From dinner recommendations or where to get the best local dessert, the crew is a major part of completing the Greek Island private yacht experience.

This program is perfect for...

Anyone wishing to experience true Greece. Your crew will take you and your guests through the islands and show you the best that the Greek Islands have to offer from an insider's view. It's a perfect program for "foodies" and eco-friendly travelers. It's a relaxed, fun filled program in a casual style. It offers just enough luxury to make it comfortable while maintaining an affordable price point. With 4 couples on board, all-inclusive

rates start as low as \$530 USD a couple a day.

Rates

Before May 2	\$14,821
After Oct 27	\$14,821
5/2-6/2	\$16,265
9/29-10/27	\$16,265
9/1-9/29	\$17,710
6/2-7/21	\$17,710
7/21-9/1	\$19,155

Rates are for a 7 night charter, two crew members, all inclusive for 8 maximum guests plus value add extras (cooking classes, sailing classes and wine tours).

YOUR PERSONAL YACHT CHARTER SPECIALIST After you have booked the program your yacht charter specialist will walk you through the rest of the process and provide inside information on how to prepare for your trip. If you want anything special done for you or your guests, or are celebrating something special, be sure to let them know so that they can get it arranged for you!

Frequently Asked Questions

Can I add other components to my culinary voyage?

Yes, we can add trans-Atlantic air, pre-/post-charter hotel stays, excursions during your land stay(s), and transfers as needed but these are not included in your package. Inter-island air segments may be added only in conjunction with trans-Atlantic air.

Am I able to charter a larger yacht if I bring more people?

You have purchased a yacht charter package for up to 8 persons maximum. A larger yacht is not part of this package. However contact your agent to discuss how we may be able to assist you with other options.

Can I change my itinerary?

Your itinerary has been designed for you to experience the best of the Greek Islands. You can discuss with your Captain on board if you wish to alternate some islands within the Cycladic cluster. Of course the entire itinerary is subject to

weather conditions at the time of your charter.

What is included in culinary voyage?

You are provided a sailing vessel with 4 double cabins for up to 8 guests for your exclusive use, a two man crew consisting of a Captain and Chef. Breakfast and Lunch or dinner, private cooking lessons daily on board from your chef, on-board wine tasting and two wine gallery tours in Paros and Santorini, private sailing lessons from your Captain and all associated costs with your yacht charter, inclusive of your transfers from the airport of Santorini or Mykonos depending upon your programs embarkation point.

Does the crew speak english?

Members of the crew are multi-lingual and English is widely spoken.

Does the sailing yacht come with a jet-ski?

No, but a jet-ski can be arranged with your Captain with a land provider at an extra charge.

Are there any water sport equipment on board?

Yes there is snorkeling gear and fishing gear.

If there are only two of us will the unused cabins be filled with people we don't know?

No, you have purchased a package that includes the entire yacht for your exclusive use. You are welcome to bring additional guests at no extra charge. The maximum on board guests including yourself is 8 passengers.

What kind of entertainment equipment does the yacht have?

Your sailing yacht has a TV in the saloon area, stereo, DVD/CD players, iPod jack, as well as, state-of-the-art navigational equipment, sea-to-shore communication capabilities, WiFi internet, and more.

How do I get my yacht?

You are provided with a yacht travel specialist who will assist you throughout the process. Part of your package is transfers from Mykonos airport or Santorini airport depending upon which cruise you have selected. Once you have booked your flights, your agent shall inform your Yacht charter specialist to know when to pick you up from the airport.

What is typical embarkation experience?

Clients are met by the entire yacht crew on board at embarkation. Their luggage is immediately whisked onboard while they are given a tour of the yacht and all of its facilities. You then enjoy your "Welcome aboard" cocktails and are debriefed by the Captain for some safety procedures and then you set sail!

How safe is traveling by private sail boat?

Extremely safe! both crew members have extensive experience on the sailing boat. You and your crew have full back-up land support, as well as, emergency contact individuals who are standby throughout your charter. You are also provided emergency contacts in country who are english speaking.

Can we do any shore excursions?

Of course! Depending on the island and type of itinerary, clients will have the opportunity to partake in a variety of shore excursions. Note: your yacht includes a motorized tender to take you to/from shore. Your captain and crew can assist you with shore excursions and rates. Shore excursions are paid directly to the local provider or your Captain can arrange it for you.

Can I make arrangements for a special occasion prior to or while on-board the sailing yacht (i.e birthday dinner)?

Absolutely! Clients fill out a provisions preference list, which they will receive from their Yacht charter specialist. This form will also allow them the opportunity to note any special requests prior to travel. Onboard, the crew will be happy to assist. Some requests may be at the discretion of the captain or crew. Any additional services not included in the package must be paid direct as required or at disembarkation.

Can we assist in operating the yacht?

Yes of course! it's part of your experience. Operation of your sailing yacht is restricted to during sailing training by your Captain. In and out of ports are not part of the sailing training and only your Captain can operate the vessel during this time. However, part of your sailing lessons is how to properly operate a sailing vessel.

What is the typical voltage on board?

The typical voltage on board is 220v and 12v (car cigarette lighter adapter). You will require european converters to convert your 110v phones, laptops, cameras and other electrical devices. Be sure to have the two prong European plug adapters for your two prong flat american plugs.

How do I know what to pack?

You will be provided with a series of documents from your yacht charter specialist which include; What to bring, Good things to Know, important contact information and your preference profile. In addition, part of your package is a one on one consultation to ensure that you have all the information for your journey.

What is the cancellation policy of my culinary voyage?

This is a non-refundable, non exchangeable trip. If you are unable to go, you may transfer your voyage to a friend or family member. Reimbursement for your charter costs are between you and who you are transferring your charter to. Endless Blue has no responsibility for the collection of funds from your transferred guest.

What if I don't feel like participating in the cooking classes or sailing classes?

You are free to participate in whatever you feel like participating in. No classes are mandatory. It is important that you have fun and do whatever you feel like doing and that includes nothing!

Can children be part of the culinary voyage?

Absolutely! This tour is designed for families to spend time together, experience the Greek Islands and have a trip of a lifetime. The program is safe for all ages. Children are required to use the existing bedding and no special discounts apply for children.

Does the yacht have safety equipment?

Most definitely! The yacht adheres to strict safety regulations and comes with all necessary navigational equipment, safety equipment and communications equipment. The yacht is licensed as a professional charter passenger vessel and is governed by european safety laws. In addition your crew is trained in all safety regulations and procedures.

Do I need to provide my crew with gratuity?

While it is not required, it is customary to provide your crew with a discretionary gratuity.
